Q:HELLO1
T:

Hello. This is the [University of] Oregon Survey Research Laboratory calling. Four sponsors have asked us to conduct a 15-minute omnibus survey with adult Oregonians [age 18 or older] about your opinions and experiences on several issues.

(I am / My name is) _____, and I want to assure you that this survey is completely anonymous and voluntary [and that I am not selling a thing]. [Please do not even tell me your name.]

PROBE: [The survey sponsors are] the University of Oregon, Oregon State University, the Oregon Criminal Justice Commission, and ECO Northwest [a consulting firm].

PROBE: The interview's length depends on your answers. [If your answers are quick and short, it will go faster.] I can talk fast to make it go quickly.

PROBE FOR 'OMNIBUS': An omnibus survey is about many different topics to learn what the public thinks [which makes it interesting].

[It saves money when several organizations get together to do one survey to ask all their questions, rather than doing separate surveys.]
